Debugging

BUG-D-CODE – A code debugging event was organized on 28th October, 2021. The event was organized with an objective to make students have a feel of what is happening in the real world. There were 19 participants who took part in the debugging competition. Raju and Raju khatri won the first prize, Abinav won the second prize and Saumya and Satyam won the third prize. The event was attended by all the staff members including HOD Dr. Minakshi Bhardwaj.

Debugging

Movie Making

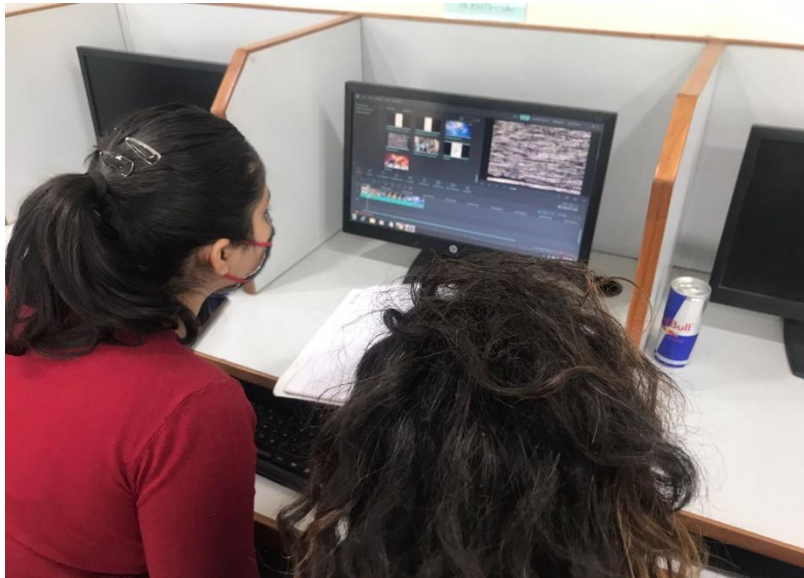

Movie Making competition was organized on 28th October, 2021. The competition was organized with the aim of providing young students with an opportunity to discover and enhance their creative skills as filmmakers and gather cinematic perspectives of the students on various national issues and futuristic technologies. Participants were required to develop a short film on any one of the following topics:

- India at 75
- India at Olympics-Tokyo 2020
- Pride of the nation: Para athletes
- Technological innovations over the last decade
- 5G – the future of communication
- Technological solutions for smart cities

Participants came up with very creative work of art each of which clearly communicated the indented message and evoked emotions.

Team of Anshu Kumar and Yashkaran from BCA-I won the 1st prize for designing a very engaging and inspiring movie on the performance of our Para-athletes in the Tokyo 2020 Olympics.

Movie Making

Sliding Slides

Sliding Slides – A PowerPoint presentation competition was organized on 28th of October 2021. Total of 13 students from BCA and B.SC 1st year participated in the event. The participants were required to prepare a PowerPoint presentation on any one the following topics:

- Use of robots in daily life
- Education in covid times
- Digital transactions
- Green cloud computing
- Digital India/Make in India

The primary aim of the event was to showcase the student's perspective of the progress of our country in field of IT. Participants designed presentations which were very engaging and visually rich. The participants were adjudicated

on the basis of use of different features of PowerPoint, quality content and ideas portrayed.

The participants were very enthusiastic. They surprised the judges with use of great visuals and time management skills.

Simranjeet Singh Gill of BCA-I won the first prize, Shivam from BCA-I won the second prize and Ayushman Chowdhary from BSc(CS)-I won the third prize.

The judges appreciated the effort and creativity of all the participants. This competition proved to be an incredible experience for all the participants and the organizer of the event.

SQL Maestro

SQL Maestro – An event based on the field of database management was organized on 28th October, 2021.

The technical event was organized to evaluate the skills of students in the field of Database Management. Questionnaire of the competition comprised of 30 questions covering concepts such as Data Abstraction, Data Redundancy, Data Manipulation, Concurrent Access, Data Security etc.

To test the analytical skills and subjective understanding of the participants, questions were divided into the categories such as multiple choice question, one word answer questions and detailed query response questions.

Prabhjot kaur of BCA-III won the first prize, the team of Nimrat Singh and Gurneet Singh from BCA-III won the second prize and the team of Manleen Kaur and Saumya Goyal from BCA-III won the third prize.

Around 30 students participated in the event and showcased their skills and knowledge in the field of Database Management.

SQL Maestro

Rangoli

Cultural traditions are important because they transmit shared values from one generation to the next. Keeping in view with the same and to add more luster to the festival of lights, department of Computer Science & IT decided to include a Rangoli making competition as one the competitions in the FEST 2021. The Rangoli making competition was organized on 29th October 2021.

Participants were required to design a Rangoli on “**SHUBH DEEPAWALI**” theme with any one of the following as sub theme:

- Shubh Mangal Labh
- Divine Grace and Blessings
- Vighanharta Manglakarta
- Deepmala

Traditional, ethnic, creative and intriguing Rangolis designed by the participants invoked euphoric enthusiasm among the visitors, who came in large numbers.

Participants came up with stupendous and scintillating works of art and surprised the audience and judges with their imagination and creativity.

The team of Harshvardhan and Aditi won the first prize, Team of Simran and Meenakshi won the second prize while team of Rajveer and Pragti won the third prize. Total of 14 students participated in the event.

Rangoli

Rock Painting

Rock Painting competition was organized on 29th October, 2021. The competition was organized to provide an opportunity to the students to translate their aesthetic sensitivity into reality and express their creativity.

The themes for the “Rock Painting” competition were Nature Art, Smiley Faces and Festivities. Participants transformed ordinary stones into colorful works of art, each of which were wonderfully creative, bright, intricate and artistic. Participants expressed their creativity by using waterproof craft paint and acrylic colors and varnishing the finished piece to make it shinier and vibrant.

Participants adopted a very subtle approach by first penciling their design onto the stones and then painting the large areas with colors. The

rock paintings, based on the theme of nature, turned stones into pretty cosmic pieces of art.

The event witnessed participation of over 20 students.

Judges awarded 1st prize to 2 teams :Team of Sakshi and Aditi from BCA-I and Khushi and Shagun from BSc(CS)-II . Team of Himanshi and Anand from BCA-II won the second prize and Agamyia Chowdhary from BSc(CS)-II won the third prize.

Rock Painting

Poster Making

Poster Making competition was organized on 29th October, 2021. The objective of the competition was to ignite the fire of imagination and creativity in the students.

The theme of the competition was “Celebrating Festivity”. Students were asked to express their ideas through paintings and sketches.

The young learners displayed their artistic skills through an array of posters. Students participated in the competition with immense zeal and enthusiasm and made beautiful posters which gave the message of celebrating the festivity with positivity. It was a great opportunity to watch these young minds creating and displaying their ideas on paper. The students thoroughly enjoyed the activity.

Prabhjot Kaur of BCA-III bagged the first position, Jiya of BCA-I bagged the second position and Vasundhara of BSc(CS)-I bagged the third position in the competition.

Poster Making

Slogan Writing

Slogan writing competition was organized on 29th October, 2021 at 10 AM in the mini auditorium.

Students were required to write original and catchy slogans on the following topics:

- Eco-Friendly Diwali
- Anti-Drug
- Unity in Diversity
- Digital Marketing
- Coronavirus

Prabhjot kaur of BCA III ,Ashish from BCA-I and Bharti from BCA –II won the first 1st, 2nd and 3rd prize respectively. Their work was judged on the basis of relevance to the theme, originality and creativity.
