Report

World Tuberculosis Day

PG Department of Zoology & Zoological Society of DAV College Chandigarh today organized a function to observe World Tuberculosis Day on 24.3.22. Dr. Kiran Chhabra, State Nodal Officer for National Programme on Tuberculosis & HIV AIDS delivered a talk and interacted with the students discussing the spread and treatment of the disease. Poster Competition was organized in the college on the theme "Find TB, treat TB, save lives". TB champ was also honored in the function who shared her experience of fighting tuberculosis. To create awareness about this dreadful disease a rally was also organized in and around the campus.
