

## **Collaborations and Memoranda of Understanding (MoUs)**

An MoU was signed between DAV College Chandigarh and CIBioD (ICMR-Centre for Innovation and Bio Design), PGIMER, enabling students to engage in translational research and summer training at PGIMER's research laboratories.

This collaboration is expected to foster innovation in medical and biomedical sciences through joint academic-industry research.

### **Additional MoUs have been established with:**

- The Power Academy (Microsoft Learning Partners) – to provide training in Power App Development and Power Business Intelligence, promoting technical skill development.
- Central Poultry Development Organization (NR), Chandigarh – under the Ministry of Fisheries, Animal Husbandry and Dairying, to train students in the poultry sector, thereby promoting entrepreneurship and vocational skills.
- Maharaja Agrasen University, Baddi (Himachal Pradesh) – to encourage collaborative educational, research, and cultural activities.
